Recommendations

George Safta
Software Engineering Manager · ExpressVPN · Feb 2026

"Cedric is a fantastic Senior Frontend Developer and a great teammate — technical, highly experienced, and brings a warm, collaborative spirit. Highly recommended."

Mark Ray-Smith
Global Head of Architecture, Securities Services · May 2017

"Cedric rose to every challenge — from mastering TypeScript & Angular 2 in weeks to building a mobile site in ASP.NET Core Razor. Highly creative, technically strong, and a very valuable resource for any team."

N IL
Direct manager · Jul 2016

"A great contributor, team player, and agile learner. He helped build a web framework our team still benefits from. An experienced developer who can craft mock-ups quickly."
